building on our reputation for over 70 years...

St Aubyn's Church, Devonport, Plymouth

Client: Plymouth City Council

Architect: GHK Ltd

Works completed: In 52 Weeks

Project Value: £1.6 Million

Overview: The transformation of this Grade II listed Georgian Building was funded by the Devonport Regeneration Community Partnership. We worked closely with the partnership and the Church Authorities, local residents and Plymouth City Council to house a state of the art library and a new worship area for the church services within the refurbished structure.

"We are extremely pleased by the transformation of this building, and we will enjoy working with Devonport Library. We hope this marks a new beginning for the church in Devonport" *The Rev Dr. David Nixon, Parish Priest of St Aubyn's*
