Hill Barton Business Park, Clyst St Mary, Exeter, EX5 1SA

Ennerdale Way, Exeter

Client: Cornerstone Housing Association

Architect: Highway Field Associated

Works completed: In 9Months

Project Value: £940,000

Overview: Design & Build – Cornerstone Housing association opened its latest development of house providing affordable homes which also include wildlife friendly design features. The one and two bedroom properties offer generous living space and communal gardens to tenants who pay affordable rents. The properties have been designed in consultation with the RSPB and include nesting boxes to provide habitats for Exeter's urban birds.
