Gregory's Distribution

Client: Gregory Distribution (Holdings) Ltd

Architect: LSN Architects

Client Agent: LSN Architects

Works completed: In 7 Months

Project Value: £630K

Overview: With Gregory's Transport celebrating 100 years in 2019, Devon Contractors were awarded the contract to construct their new 'Heritage Museum', housing vehicles from the past 100 years.

The building was constructed with a main steel frame, extending the previously built 3 storey office block. The frame being clad using a traditional built up system matching the existing buildings. The main feature being the installation of a large picture window showcasing the vintage vehicles. Associated works included the Pre-cast Mezzanine Viewing area and second floor offices.
