building on our reputation for over 70 years...

Sideshore, Exmouth

Client: Grenadier Exmouth Ltd

Architect: Poynton Bradbury Wynter Cole Architects Ltd

Engineer: Airey and Coles

QS/Employers Agent: WT Hills

Programme: In 11 months

Project Value: £3.4M

Sideshore is the new watersports centre in a prime position on Exmouth Waterfront. Not only does it host the family run Edge Watersports but is also home to the renowned chef, Michael Caine's, new restaurant. Being right on the shore line, the construction process battled the elements and close design management was needed to ensure the building would withstand these elements for years to come.
