Hillfield Village, Bugford

Client: Yellow Bridge Developments LLP

Architect: BBH Chartered Architects

Programme: 40 Weeks

Project Value: £1.75M

Hillfield Village offers a range of individually owned and styled self-catering holiday properties all set within acres of beautiful gardens. The latest addition to the village was this collection of 7 new terraced/semi-detached individual properties and one new detached lodge. These timber framed properties utilise as much natural light as possible and incorporate many natural materials within the external finishes.
