building on our reputation for over 70 years...

Parklife, Heavitree

Client: Park Life Heavitree
Architect: Fairview Architecture Ltd
Engineer: WSP
Programme: 30 Weeks
Project Value: £810k

Park Life Heavitree is a community charity based around Heavitree Pleasure Ground in Exeter. Their vision was to create a community hub and café within the pleasure ground. The single storey timber framed pavilion building houses a café area with commercial kitchen, a flexible large hall area and a covered external area. The cedar cladding not only envelopes the building but also provides a striking internal design feature.
