Forthglade Foods – Factory/Office Extension

Client: Forthglade Foods Ltd
Architect: Grainge Architects
Engineer: Airey & Coles
Programme: 26 Weeks
Project Value: £1.12m

Project Information:

Following on from the construction of the original factory and office building by Devon Contractors as Phase 1, a further extension was required (Phase 2), which consisted of a single and two storey factory and office extension to the south of the building.

Works consisting of a steel frame, cladding, additional external windows/doors and roller shutters, together with an internal fit-out of the additional areas.

We are looking forward to continuing our relationship with Forthglade Foods and hopefully carrying out the works to Phase 3!
