building on our reputation for over 70 years...

Middlemoor Sports Hall

Client: Devon and Cornwall Police

Architect: Grainge Architects

Engineer: Sands Consulting

Programme: 47 Weeks

Project Value: £3m

Project Overview: Devon Contractors were appointed to construct a brand-new energy efficient leisure facility for Devon & Cornwall Police, at their existing headquarters in Middlemoor, Exeter. The new building will be used to assist in the delivery of training for the increasing numbers of new and existing police officers, in the region.

Works included the following:

- Four court, sports hall (built to Sport England's standards)
- Open plan, flexible use fitness studio
- Rehabilitation areas
- Taser/combat training facilities
- Changing rooms and associate storage areas
