Plot K1 & K2, Marsh Barton

Client: Eagle One Investments Ltd

Architect: GJR Architects

Engineer: Sands Consultants

Programme: 35 Weeks

Project Value: £3.87m

Project Information:

Both internal and external works to the 2 No. units, known as Plots K1 and K2, were completed on programme and to budget with an impressive level of quality that is clear to be seen.

The larger of the 2 units was occupied by Tesla after practical completion, who have created a new showroom and car servicing offering for the Exeter and wider South West area.

Additional allowance and electrical supplies were made available to facilitate the EV super chargers requirements.
