Sherford Vale Primary School

Client: The Sherford Consortium C/O Brookbanks Consulting

Architect: Stride Treglown

Engineer: Hydrock

Programme: Weeks

Project Value: £2.1m

Design and Build, as part of the Sherford Vale Primary School Phase 2 works, 8 brand new classrooms. New toilet facilities, cloak rooms and stores. Additional play areas, including a timber shelter and landscaping will also be provided, with an emphasis in encouraging the birds to nest by providing a variant of bird boxes. Handed over 2 weeks ahead of programme, the school are thrilled with their new facility.
