Tithebarn Green Community Centre

Client: Eagle One Limited

Architect: LHC Design

Engineer: Sands Consultants

Programme: Completed 2024

Project Value: £2.65m

Project Information:

Devon Contractors delivered the new Tithebarn Green Community Centre in Exeter, a landmark project forming the heart of a growing residential and employment area. The two-storey centre provides a Tesco Express convenience store and café at ground level, with space for a healthcare or community facility on the first floor. Externally, the scheme also delivers extensive public realm enhancements including a new play area (NEAP), multi-use games area (MUGA), landscaped square, and improved pedestrian and cycle connections. The hub now supports over 1,600 new homes, nearby businesses and the wider Exeter Science Park.
